

Care House of Macomb County
A Voice for Children for 20 Years

Macomb County Child Advocacy Center, Inc./Care House
www.mccarehouse.org

Care House, the Macomb County Child Advocacy Center, seeks a full-time Crisis Counselor/Forensic Interview Specialist. Candidates must possess a Master's degree in an appropriate mental health field, hold current appropriate licensure in good standing and have a minimum of two years' experience working with children and families in crisis and child trauma (preferably child sexual and physical abuse). The ideal candidate would have experience in the field of forensic interviewing of children. The candidate should also be familiar with legal reporting requirements under the Michigan Child Protection Act and the Michigan Forensic Interviewing Protocol. They should have excellent computer skills, written and oral communication skills, and the ability to work well in a team environment. The Crisis Counselor/Forensic Interview Specialist reports to the Intervention Coordinator, works closely with Care House staff, volunteers and interns, members of the multidisciplinary team, Care House Board of Directors and community collaboratives as well as other stakeholders as needed to sustain and advance the mission of Care House and provide services to child victims of abuse and their non-offending family members.

Care House has offices in two locations: Mount Clemens and Warren, Michigan. This position requires the ability to work at both locations. The position requires 40 hours per week of crime victim support services with flexibility in scheduling, including evenings and occasionally on weekends.

The salary range for this position is between \$52,000 - \$58,000. Care House offers excellent benefits, including employer-paid health care, dental and vision insurance for all full-time staff and access to a 401(k) with company match and flex spending plans. Care House also promotes a healthy work-life balance, including flexible work schedules and a very generous vacation/holiday policy.

Care House is a private, non-profit agency whose mission is "to prevent and reduce the incidence and trauma of child sexual and physical abuse in Macomb County through collaborative, multidisciplinary and effective family-centered activities."

We welcome applicants who meet the position criteria to apply to join our team. Care House is an Equal Opportunity Employer. All candidates are subject to comprehensive background screening.

More information on Care House may be found at www.mccarehouse.org

Please send resume with cover letter to Dorie Vazquez-Nolan, Executive Director at doriev@mccarehouse.org by Friday, April 30, 2021. No phone calls, please.

Care House Job Description **Crisis Counselor/Forensic Interview Specialist**

Job classification and status: The Care House Crisis Counselor/Forensic Interview Specialist is a salaried, grant-funded position and can be terminated with or without cause. The position requires 40 hours per week of crime victim support services with flexibility in scheduling, including evenings and occasionally on weekends. This position is contingent upon continued grant funding. This position is under the supervision of the Care House Intervention Coordinator.

NATURE AND SCOPE: The Crisis Counselor/Forensic Interview Specialist shall conduct forensic interviews, provide support and case management services to children and non-offending family members; participate in the Center's multidisciplinary team; assist in the coordination of multi-agency case review; provide crisis counseling, provide community education and outreach, and other duties as assigned.

ESSENTIAL FUNCTIONS (Forensic Interview Specialist): Under the direction of the Intervention Coordinator, the Crisis Counselor/Forensic Interview Specialist's duties include, but are not limited to:

1. Conducts developmentally and culturally sensitive forensic interviews of children, adolescents and vulnerable adults in a manner that are legally sound and meet the needs of prosecution and child protection agencies following the Michigan Forensic Interviewing Protocol and reviews written summaries of interviews.
2. Communicates effectively on behalf of the agency and functions in a collaborative manner within all levels of the organization, with participating agencies and within the community.
3. Provides crisis management and advocacy services to children and families seen at Care House, including appropriate community referrals and system advocacy.
4. Consults with MDT at Pre and Post Interview meetings and participates in regular case reviews.
5. Maintains a positive relationship with MDT members to ensure program success.
6. Provides testimony in court when subpoenaed to do so.
7. Serves as a speaker/presenter on topics relating to forensic interviewing of child abuse victims, Care House services and child abuse prevention.
8. Works closely with community professionals to identify gap areas in services for child abuse and neglect victims and assist with development of programs to fill the gaps and implement systems change.
9. Attends appropriate training to enhance and maintain skills.
10. Participates in ongoing peer review and mentoring opportunities with other CAC forensic interviewers.
11. Maintains awareness and updates team members of current interview techniques and protocols, research occurring in the field of forensic interviewing and emerging issues, case law or other challenges to the forensic interview process.
12. May assist in the gathering and reporting of program data, quality assurance and outcome evaluation as assigned.

13. Consistently demonstrates professional behaviors and leadership skills that are in support of the mission of Care House and serves as an advocate for the agency and its clients to support and promote quality standards for child abuse investigations in Macomb County.

ESSENTIAL FUNCTIONS (Crisis Counselor):

1. Provides in-person crisis intervention for children and non-offending caregivers at first contact with the Child Advocacy Center (CAC)
2. Initiates telephone contact with child's parent/guardian to prepare the family for the forensic interview appointment, including sharing information about the interview process, providing directions to agency and determining any immediate barriers to the client's ability to be present for their scheduled interview
3. Evaluates the child's/family's needs and provide appropriate support, referrals and information
4. Provides crisis management and advocacy services to children and families seen at Care House including appropriate community referrals and system advocacy
5. Completes as needed (when a child or non-offending caregiver presents a significant safety concern) and with supervision, a crisis assessment and corresponding safety plan with the non-offending caregiver and the child
6. Provides educational information to the non-offending caregiver regarding counseling and the benefits of counseling/support groups for children who have experienced sexual abuse and/or other forms of trauma
7. May offer trauma focused counseling sessions for clients and non-offending caregivers seen at the center and provide counseling services as requested
8. May co-facilitate support groups opportunities and provide support groups to both children and their non-offending caregivers
9. Makes recommendations and referrals for ongoing mental health therapy
10. Maintains contact with families with follow-up calls at regularly scheduled intervals
11. Provides support and advocacy to families with court proceedings
12. Complies with all grant-related guidelines and requirements
13. Updates NCATrak database with counseling and victim advocacy information
14. Participates in clinical supervision and peer reviews
15. May serve as a back up to the Intake Coordinator to schedule intakes.
16. Aids the center in developing education materials for caregivers and victims.
17. Provides community outreach as needed.
18. Maintains cross-cultural awareness in the performance of all duties.

MINIMUM KNOWLEDGE, SKILLS AND ABILITIES REQUIRED:

- Master's degree in social work, counseling, psychology or related field with current licensure in good standing
- Previous Forensic Interviewing experience strongly preferred.
- Previous experience in providing social work/legal/advocacy services in a community setting.
- Strong communication and interpersonal skills to effectively interact with individuals of diverse backgrounds, cultures and experiences.
- An ability to work independently and also function cohesively as part of a team.
- Superior writing and computer skills to complete forms, reports and other written materials.
- Adequate knowledge of the child forensic interview process, including a working knowledge of dynamics of child sexual abuse and the Michigan Child Protection Act
- The ability to engage children of all ages in an interview-type setting.
- Ability to maintain strict confidentiality

Other Requirements: The physical environment is an office building. The position requires the ability to sit at a desk, work on a computer and do some light lifting. Employees must be able to deal with a variety of emotions under stressful situations and be able to deal with people who may be very upset. Emotional stability and personal maturity are essential. All Care House employees must have no criminal convictions (felonies/crimes) of child abuse/neglect or violent crimes and no listing as a perpetrator on the Department of Human Services Central Registry.

The above job description is intended to summarize the essential functions of and requirements for the performance of this job. It is not meant to be an exhaustive list of miscellaneous duties and responsibilities that may be requested in the performance of this job. Employees are occasionally required to participate in activities outside of normal business hours.

Performance Evaluation: Employees will be formally evaluated on an annual basis.

Note: All employment relationships with Care House are of an at-will nature, may be terminated at any time, with or without cause, and with or without notice. Nothing in any job description, employment agreement, personnel policy or future evaluation shall alter the at-will nature of this employment nature.
